

The 3rd International Conference on UltrafastX

Conference Notice

Xiamen·China, October 23-26, 2025

The 3rd International Conference on UltrafastX (UltrafastX 2025) will be held in Xiamen from October 23 to 26, 2025. The topics include but not limited to: Attosecond Science and Technology, Ultrafast Lasers and Applications, Ultrafast Imaging and Spectroscopy, and Ultrafast Terahertz Science and Technology. UltrafastX 2025 is aiming to create a cutting-edge international forum in the field of ultrafast science, technology, and applications.

We sincerely invite scholars, students, corporate representatives, and all colleagues in this field to participate and communicate!

Hosts

Xi'an Institute of Optics and Precision Mechanics, CAS

Peking University

Institute of Physics, CAS

Xiamen University

Shanxi Optical Society

Organizers

Ultrafast Science

Acta Photonica Sinica

iOptics

National Key Laboratory of Ultrafast Optical Science and Technology

Center for Attosecond Science and Technology

Center for Ultrafast Physics, Institute of Physics, CAS

Pen-Tung Sah Institute of Micro-Nano Science and Technology, Xiamen University

Fujian Optical Society

CO-organizers

Key Laboratory of Ultrafast Photoelectric Diagnostics Technology of CAS

Youth Innovation Promotion Association Group of XIOPM, CAS

Attosecond Science Center, Songshan Lake Materials Laboratory

Opto-Electronic Advances

Society of Photo-Optical Instrumentation Engineers, SPIE

Conference Tracks

Track 1: Attosecond Science and Technology

Track 2: Ultrafast Lasers and Applications

Track 3: Ultrafast Terahertz Science and Technology

Track 4: Ultrafast Imaging and Spectroscopy

Track 5: Ultrafast Phenomena and Dynamics

Track 6: Ultrafast Particle Science, Technology and Applications

Track 7: Laser-Matter Interactions

Track 8: Large Scale Scientific Facilities

Track 9: Ultrafast Laser Processing and Manufacturing

Track 10: PhD Student Special

Conference Date

October 23rd (Thursday) - October 26th (Sunday)

Conference venue and hotel

Conference Venue: THE TIANYUAN XIAMEN (厦门天元酒店)

Address: 1813 Huandao East Road, Siming District, Xiamen, Fujian Province

(福建省 · 厦门 · 思明区 · 环岛东路 1813 号)

Registration Fee

Early-bird (before Sep.15) : Student USD 270, Regular USD 420.

Non-early bird (after Sep.15) : Student USD 340, Regular USD 490

Publication Fee USD 170 / per manuscript

- 1) If the article does not need to be included or indexed, authors may submit only the abstract for conference participation and exchange, with no publication fee required
- 2) Each registered participant may represent at most one paper.
- 3) Accommodation and meals during the conference will be centrally arranged, with expenses to be covered by participants themselves and no meal subsidies provided.

The conference registration fees will be collected on behalf of the organizing committee by Shanghai Learning Information Service Co., Ltd, and invoices will be issued by the Xi'an Institute of Optics and Precision Mechanics, Chinese Academy of Sciences.

E-invoices will be issued within one month after the conference.

Contact: Kun Wei, weikun@opt.ac.cn.
